Greetings,

We hope this letter finds you well. We are writing to introduce you to an incredible opportunity to make a meaningful difference in the lives of children in need through our organization, **The Nazareth Angel Project.** As we approach the holiday season, we are launching a special initiative to bring joy and happiness to those who may otherwise go without.

The Nazareth Angel Project was founded by three families and friends united in grief after experiencing four profound losses. Our mission is to honor the memories of our beloved Michael Carrezola, Jessica (Mariano) Yoo, Josh Mariano, and Scott Stewart by giving back to the Nazareth community. Our primary focus is to raise funds to help provide children in need with a meaningful Christmas — bringing joy, gifts, and hope to families facing hardship. Beyond the holiday season, we also support local organizations, schools, and scholarships throughout the Nazareth community. Through compassion, generosity, and the support of our community, we strive to make a lasting impact and carry forward a legacy of love, hope, and kindness in their memory.

2024 marked the launch of our very special project. Our call to action was met with an overwhelming outpouring of love and generosity from our community and beyond. Thanks to the incredible support of our community, we were able to give 130 children the Christmas of their dreams since our launch. But we're not done yet. This year, we aim to exceed our goals and make an even greater impact.

Our program relies heavily on the generosity of donors like you to help us fulfill our mission. Your support will enable us to purchase gifts, toys, and other necessities for children who may not receive anything otherwise. By donating you will directly impact the lives of these children, bringing them hope, joy, and a sense of belonging during what can be a challenging time of year. Together, we can make a significant difference in the lives of these young individuals and create lasting memories that they will cherish for years to come.
